

Content

Preface	7
Introduction	9
Technical Aspects	11
Magnetic Resonance Imaging	11
Image Contrast	12
Experimental Details	14
Animals	15
Image Presentation	16
Anatomical MRI	19
Horizontal Sections	20
Coronal Sections	108
Sagittal Sections	181
Surface Reconstructions	208
Intracranial Vasculature	220
Magnetic Resonance Angiography	220
Experimental Details	221
Intracranial Arteries	222
Nerve Fiber Tracts	226
Diffusion Tensor Imaging	226
Fiber Tractography	228
Experimental Details	229
Major Nerve Fibers	232
Anatomical Variability	244
Abbreviations	249
References	250
Index	252
Authors	262
